

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

COMMERCIAL REPORT.

PEACE, so long recommended in these reports, while the disapprobation of WAR was so frequently reiterated in them, has at length unexpectedly dawned on us, and most sincerely and most ardently is its return hailed, as tending most materially to ameliorate our condition, and put a stop to many of the miseries, as well commercial
